

Welcome to St. Joseph's Health Hospital

Wayne Campus

INFORMATION FOR SURGERY PATIENTS

Restore Confidence & Quality of Life

At St. Joseph's Health, we take an individualized approach to caring for and treating women who suffer from pelvic disorders. Our nationally recognized Urogynecologist, Ali Ghomi, MD, provides exceptional care in the diagnosis and treatment of female pelvic disorders and pelvic floor dysfunction.

St. Joseph's Wayne Medical Center, a division of St. Joseph's University Medical Center and a member of St. Joseph's Health is a 229-bed acute-care community hospital that provides comprehensive medical and surgical care, emergency and diagnostic services to the residents of Wayne and surrounding communities in northern New Jersey.

St. Joseph's Wayne Medical Center is sponsored by the Sisters of Charity of Saint Elizabeth. With a "patients first" approach to health care excellence.

St. Joseph's Wayne Medical Center. Leading edge clinical services include orthopaedics, spine, and sports medicine; cardiology/cardiothoracic services including a diagnostic cardiac catheterization laboratory performing peripheral angiograms and stenting, carotid stenting and pacemaker implants; non-invasive cardiology services including Holter monitoring, 24-hour blood pressure monitoring, echocardiography and trans-esophageal echocardiography; the Acute Rehabilitation Unit providing a full range of inpatient and outpatient services such as those of the North Jersey Swallowing Center; the John Victor Machuga Diabetes Education Center, offering comprehensive education and consultation programs; and expanded Ambulatory Care Center; as well as liver, biliary, and pancreatic consultation services.

Parking

Free, safe and convenient parking is available for patients and visitors in front of the hospital.
